

# **AIG SAFEGUARDING AND CHILD PROTECTION POLICY**

## **Aspire International Group**

The following policy must be followed by all of our staff, and those working on our behalf:

We aim to be one of the United Kingdom's international business organizations for business relations and educational opportunities.

In our work we meet many children and adults who are potentially at risk for a variety of reasons. We aim to create a safe environment in which no child or adult will experience harm or exploitation during their contact with us.

We will, where reasonably practicable, both follow relevant UK and International laws and standards, as well as ensuring local legal compliance.

We are committed to:

- valuing, respecting, and listening to children and adults, maintaining confidentiality, and acting proportionately
- maintaining strong protection systems, procedures and minimizing and managing situations where abuse could occur through planning, risk assessment and safeguarding systems
- sharing safeguarding best practice and information regarding safeguarding concerns with relevant parties and involving children and adults where appropriate
- actively investigating suspected abuse.

We require all staff to ensure their behavior is consistent with this policy. We also require that clients, customers, partners and suppliers are made aware of this policy and operate within it.

We will provide adequate and appropriate resources to implement this policy and will ensure it is communicated throughout the organization and understood by all staff.

We will review this global policy statement annually to reflect new legal and regulatory developments and to ensure good practice.
